EXTRACURRICULAR PHOTOS

Our extracurricular photo day was held last week.

If your child was present in any of the photos, you will have received an order form. Please check your child's bag.

If you don't receive an order form, you can still order online at www.msp.com.au. You will need a shootkey, which can be obtained by calling 38483946.

CHANGES TO INVOICING PROCESS

Moving forward, invoices will only be issued after the consent period has closed, and only for those students who have been given consent to participate.

2025 SWIMMING PROGRAM

Nearly half of Australian primary school children are unable to swim 50 metres in a swimming pool or tread water for two minutes by the age of 12, according to new research by [Royal Life Saving Australia](http://www.royallifesaving.org.au). This is below the benchmarks for swimming education that Australia has been proud of for more than one hundred years.

To ensure your child can participate, **please return all consent forms by this Friday, 8 August**. Invoices will be issued on the same day based on the consents received. It's important that consent is provided prior to this date to ensure your child's participation in the program.
